On Monday, 2nd November, students from years 3-6 will be attending a presentation of FAR OUT!! Treasures of the bush. FAR OUT! Is a free tour, made possible by the support of our sponsors, that bring original items from the state library’s collection to regional and remote NSW Schools, weaving them into an interactive, curriculum linked presentation delivered by qualified educators. These objects are original, historical artefacts that very rarely leave the library, and they are used to illustrate aspects of Australian history that link directly to stage 2 & stage 3 History syllabus. It will be private transport and the presentation is from 11am to 1pm.

Calculus

I will be away on Friday, 30th October to attend the OVLC principals Meeting. However, I am always available on my mobile if you have an issue or any concern. Mrs. Williams is also happy to help and assist you in any of your queries.

Eye Screening

We had Janelle from STEPS who kindly came to our school to do a thorough check of our student’s eyesight. In coming days she will be contacting some parents regarding any concerns about their eyesight.

Maths Enrichment Day

We have 3 of our students attending the Maths Enrichment day at Nana Glen.

A huge thank you to Ann Roberts for transporting our students to Nana Glen. It is only with parent support that we are able to send our students to these Enrichment days.

Head Lice

It has come to my attention that head lice is becoming a problem again. Head lice infestations are a common occurrence, particularly in primary schools. About 23% of primary students have head lice at any one time.

Anyone can catch head lice regardless of their age, sex, or how clean their hair is.

Head lice move from one person’s head to another via hair.

Head lice do not survive long when they are off a human head.

Head lice do not live on furniture, hats, bedding or carpet.

Head lice have built up some resistance to head lice treatments.

Tips for parents in reducing the spread of head lice:

As infestations are particularly common in primary schools, it is best to choose a treatment that can be used over time. There is no single solution to eradication, only persistence.

Regularly check your children’s hair, teach older children to check their own hair, tie back and braid long hair, keep a fine tooth head lice comb in the bathroom and encourage all family members to use it when they wash their hair.
It’s an exciting time for the year 6 students who are probably feeling a mixture of excitement and anxiety about going to high school next year. The following information is for those students who are going to be coming to Coffs Harbour High School in 2016.

KEY DATES

- Parent information evening - in the school hall from 5:30pm-7:00pm Tuesday the 10th November. This will be a chance to meet Mr Tony Wilson, the Deputy Principal for Year 7 and Mr Adam Mason, the Year 7 Adviser for 2016. School book packs are $85 and uniforms will be available to buy from the canteen from 4pm on the night. Light refreshments will be available and the SRC will be providing tours of the school from 5 pm.
- Small schools orientation- Thursday 26th November
  Students from Coramba PS, Karangi PS, Lowanna PS, Nana Glen PS, Upper Orara PS and Ulong PS.
- Orientation day for all students in Year 6 who will be attending Coffs Harbour High School- Thursday 3rd December.

Assembly

Friday’s assembly will be held at 2.15 pm at school. We look forward to seeing as many of you as possible. K-2 will be presenting an item.

Class Awards

K-2

Joey & Leah  Co-operating to achieve
Jordan       Finishing Reading Eggs

3-6

Cody        For being helpful on the excursion
Andrew      For his outstanding achievement in Maths
Darcie      For her outstanding achievement in Maths
The students this week transferred their learnt hockey skills to the field.
