Harmony Day

Harmony day was a great success and that’s because a lot of time and effort was put in by the staff and parents. All students were fantastic and made sure every activity flowed smoothly. I have no words to thank all the 3 University students for putting on such a great performance. So a big thank you to all for making it a such success. We got excellent feedback from parents of other schools saying how wonderful the school setting was and they felt very comfortable and welcomed. At this stage it looks like we have raised approx $350.00.
Taster Testing

Students from year 4 & 5 went to Orara HS for taster testing lessons to get a feel of how high schools function and what they have to offer. The students thoroughly enjoyed themselves as they got to attend drama & dance classes; cooking classes where they made some colourful Easter cookies; wood work classes they made some Cd racks; science classes they made some sherbet, rockets from tea bags and gliders using straws they also did paper and art activities. Next term, we have another session and they will have the opportunity to explore high school in more depth with some other lessons like agriculture, ICT and music lessons.

Orara Valley Cross Country

Last Wednesday, students 8 years and older took part in the O.V. Cross Country held at Nana Glen. All students went very well. Aidan, Seth and Lukas were outstanding, placing in the top 10 they will be representing the valley in the district cross country.

Assembly Photos

Cody and Aidan reading their recounts on Harmony Day.

Gracie receiving her award for finishing Reading Eggs.
Great Debate

On Tuesday, Mrs. Flanagan took our 4 junior politicians: Gabby, Darcie, Jo and Zach to participate in the O.V Great Debate. They debated excellently winning four out of their five debates. Well done team!

School Plan 2015-2017

On Wednesday I attended a School Planning Information seminar. Ulong PS school plan 2015-2017 is in its final stages and next Wednesday April 1st I’ll be sending copies to all parents for their input. The plan will also be tabled at the P & C Meeting. I would ask every family to have a good look at the plan and you are encouraged to give any sort of positive or negative feedback so we can improve on it.

P&C Annual General Meeting

We will be having our monthly P & C and Annual Meetings on 1st April at 1:30pm in the library. As I stated earlier, I would be really grateful if all parents and community members could make an effort to spare some time out of their busy schedules to attend our P & C Meeting. We have a few very important decisions to make. We will provide lunch (approx 1.00pm) before we start our meeting.

Easter Hat Parade

Next Tuesday morning students will be busy exploring ideas to be creative in designing their Easter hats. Students can bring any crafty items that they would like to use to decorate their hat. They can make their hats from ice cream containers, card board or use an actual hat to decorate them with eggs, chicks, ribbons etc.

We also have a visitor attending our parade to surprise our students.
The parade will take place at 11am

Cedar and Steam Exhibition

This Thursday, our young artists will submit their beautiful art works that they have been working on with Mrs Moore for the Cedar and Steam exhibition in Glenreagh. This year the students have produced some quality art work themed on the Centenary of ANZAC. The exhibition is on Friday 17th April from 6.00pm, when the exhibition is officially opened and Saturday 18th April from 10.00am for the public to visit.
